Project Information

Priority will be given to those associated with a project; however, it is not essential for your enrollment in the Program.

Are you or your community currently involved in a clean energy initiative?

This could include energy efficiency efforts, solar, wind, hydro, biomass, transmission, energy planning, etc.

Yes:

No:

If yes, please briefly describe the initiative.

If possible, please include information such as: the project focus (energy efficiency, solar, hydro, etc.), how long the project has been in development and what its status is, any partners that are currently involved, the location of the project, and your role in/connection to the project.

Clean Energy Interest Areas (check all that apply)

Please select what areas of clean energy you are most interested in from the list below.

- | | | |
|---------------|-------------------------------|---------------------------|
| Solar PV | Energy Efficiency | Community Energy Planning |
| Solar Thermal | Energy Storage | Energy Literacy |
| Wind/Hydro | Combined Heat/Power | Project Financing |
| Biomass | District Energy | Other: |
| Geothermal | Transmission Smart-Microgrids | |

Goals & Expectations

What do you hope to gain/learn through the Program?

How do you plan on applying what you learn in the Program to your community, organization, and/or project?

What issues, if any, could inhibit you from committing to the Program?

20/20 CATALYSTS PROGRAM COMMITMENT

I agree to participate in all 3 – one-week On-site Intensive Sessions

I agree to participate in all webinars and coaching/mentorship sessions
